

DIABETES EDUCATOR

Permanent, part-time – 2 days per week

Mansfield District Hospital is seeking to employ a Diabetes Educator to join our Primary Care Centre team.

You will be responsible for promoting optimal health and wellbeing for individuals and communities at risk of, or affected by, diabetes using a range of specialised knowledge and skills. You will also integrate diabetes self-management education with clinical care as part of a therapeutic intervention to promote physical, social, spiritual and psychological wellbeing.

You will hold current AHPRA registration and full membership of Australian Diabetes Educators' Association. A demonstrated knowledge of adult education principles, an ability to work autonomously and in a multidisciplinary health care team and experience in a community or primary health setting are required. Full details are in the Position Description.

Enquiries can be directed to Melanie Green, Director of Operations on **57758800** or m.green@mdh.org.au.

To apply, you must complete an Application for Employment form, including responses to the Key Selection Criteria detailed in the Position Description. These documents are available online at <http://mdh.org.au/position-vacancies/> or from Hospital Reception. An up to date Resume and two referees are also required.

Applications marked Private & Confidential should be addressed to: **Director of Operations, Mansfield District Hospital, P.O Box 139, Mansfield, 3724**

Applications close by 5pm on the 19/1/2018.

Mansfield District Hospital is fully accredited across all services, committed to Equal Employment Opportunity and the principles of diversity in recruitment.

Employment is underpinned by merit-based selection and successful applicants are expected to model the MDH Values and Expected Behaviours and abide by the Code of Conduct.

Commencement is subject to a successful MDH Police Check and provision of an employee Working with Children Check.
