## Mansfield District Hospital

### VALUES & EXPECTED BEHAVIOURS

The Mansfield District Hospital Values & Expected Behaviours are based on the *Application of Public Sector Standards, Fair and Reasonable Treatment Guidelines, Merit in Employment Guideline, Reasonable Avenue of Redress Guidelines and Code of Conduct for Victorian Public Sector Employees.*

We value our Staff and have faith that they will express a positive attitude by actively modelling and promoting our expected behaviours:

#### Quality

We believe that excellence of service and the provision of high quality, effective and accessible health services will be achieved by working in partnership with other health care providers to plan, strengthen and deliver innovative, cost-effective and integrated health care services.

#### **Behaviours to support value**

- Seeking to achieve best use of resources
- Maintaining professionalism in all our interactions
- We will demonstrate openness and fairness when dealing with others
- Use our knowledge and skills to perform our duties to the best of our ability

#### Integrity

We believe it imperative to be open, honest, transparent and ethical in our decision-making and business transactions to ensure equitable access to a safe, high quality healthcare service is available that upholds and respects the dignity and rights of all stakeholders.

#### **Behaviours to support value**

- Providing frank, impartial and timely feedback to requests for information
- Identifying and encouraging best practice in our interactions with colleagues
- Seek to resolve conflict rapidly and constructively
- We will honour confidentiality
- We will treat people equally
- Actively implementing, promoting and supporting human rights
- Making decisions and providing advice on merit without bias, caprice, favouritism or self interest

#### Support

We believe in providing a fair and equitable environment for our staff that supports access to education and training opportunities, fosters a culture of safety and teamwork, and values the experience and knowledge of all employees.

#### **Behaviours to support value**

- Being honest, open and transparent in our dealings with our colleagues
- Using powers responsibly
- Reporting improper or inappropriate conduct
- Identifying and avoiding conflicts of interest in our daily practice.
- We will treat others fairly and objectively considering all relevant facts and applying fair criteria
- Working to clear objectives in a transparent manner
- Our staff will ensure freedom from discrimination, harassment and bullying
- We will use our colleagues' views to improve outcomes on an ongoing basis.
- We will communicate courteously
- Discuss differences in a clear and calm manner
- Refrain from using behaviours that are abusive, intimidating and patronising

#### Sustainability

We believe that the future of our organization and of our community will only be enhanced by the development of genuine environmental sustainability initiatives.

#### **Behaviours to support value**

- Accepting responsibility for our decisions and actions
- Cultivating and maintaining relationships that support the goals of the organization
- Actively implementing, promoting and supporting our values
